

## Ergonomic Shape, Economic Solution

Bigger is better when it comes to ILLI 2,  
our largest-volume dispenser system.  
Elegant and economical at the same time,  
the ergonomic design is paired with an  
extra-large, 525ml bottle size that lasts  
for weeks.

Containing only liquids certified with the Cradle 2 Cradle Certification<sup>®</sup>, ILLI 2 can be fully emptied and is recyclable. The system features our patented membrane technology, proven to guarantee clean dosage and superior hygiene, with no back contamination or wear-out effect.

### BIGGER SIZE, SMALLER IMPACT

#### HYGIENE:

- Innovative membrane technology for clean dosing
- Drip free

#### SUSTAINABILITY:

- Mono material design for optimized recyclability
- Can be fully emptied, ensuring no liquid waste

#### PRODUCT DESIGN:

- Volume: 525ml
- Scandinavian design
- Tamper proof & theft proof bracket system
- Single bracket

#### HANDLING:

- Squeeze handling
- Effortless maintenance
- Quick bottle exchange
- Easy bracket installation

### AVAILABLE

ILLI 2 comes with its own special crafted Cradle-to-Cradle certified liquid with a subtle, harmonious fragrance composed of refreshing green florals, including jasmine and cyclamen.
