EST. LONDON 1870

# Eau So British

Penhaligon's embodies the essence of British wit, luxury, and craftsmanship. When William Penhaligon opened his first store on Jermyn Street in 1870, little did he know his fragrances would still be scenting the streets of London and beyond. With perfume legacy spanning over 155 years, Penhaligon's redefines the art of fragrance through scents that tell stories, crafting fragrances inspired by the past for rebels of the future.
